**A RESOLUTION AUTHORIZING THE WAIVER OF FEES REQUIRED  
TO BE PAID FOR CERTAIN LAND USE PERMITS FOR TOWN PROJECTS**

WHEREAS, the Town of St. John, Lake County, Indiana, is currently undertaking a capital project known as the Larimer Park Pond Dredging Project; and

WHEREAS, the Town Council of the Town of St. John, Lake County, Indiana, has been advised that the soil and dredge materials from the aforementioned Project will be placed or deposited in approved sites in various areas of Town, and therefore, will require appropriate land use permits; and

WHEREAS, the Town Council of the Town of St. John, Lake County, Indiana, has determined that the procedures for the placement of soil or dredge materials from the aforementioned Project on various approved sites in Town include the requirement of payment of certain land use permit fees, consistent with the Ordinance requirements of the Town, as amended from time to time; and

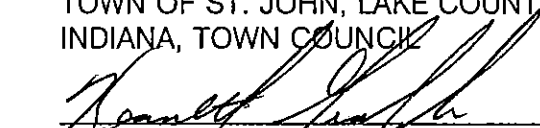

WHEREAS, the Town Council of the Town of St. John, Lake County, Indiana, has determined that payment of any land use permit fees should properly be waived inasmuch as these fees would serve no rational meaning or purpose, and would be only a bookkeeping transfer of public funds.
