

Res. # SD 95-12-21

PRELIMINARY BOND RESOLUTION

WHEREAS, the Sanitary District of the Town of St. John, Indiana (the "District") is a municipal corporation governed under the provisions of IC 36-9-25; and

WHEREAS, the Board of Sanitary Commissioners (the "Board") is the governing body of the District; and

WHEREAS, the Board has heretofore issued, in the name of the Town of St. John, the Sanitary District Bonds of 1985, dated April 1, 1985, originally issued in the aggregate principal amount of \$500,000, and now outstanding in the principal amount of \$130,000 (the "1985 Bonds"), the Sanitary District Purchase Contract of 1990, dated May 14, 1990, originally issued in the aggregate principal amount of \$185,000, and now outstanding in the principal amount of \$140,000, (collectively, the "Refunded Bonds"), which Refunded Bonds were issued for the purpose of purchasing and constructing improvements and additions to the sewage works facilities of the District and the Town of Schererville pursuant to a Sewage Treatment Agreement Between the Town of Schererville and Town of St. John dated May 14, 1990 and a Sewage Treatment Agreement Between the Town of Schererville and Town of St. John Effective January 1, 1995 and to pay the incidental expenses in connection therewith and on account of the issuance of the Refunded Bonds; and

WHEREAS, the Refunded Bonds are, by their terms, subject to redemption prior to their scheduled respective dates of maturity; and

WHEREAS, pursuant to the provisions of IC 36-9-25 and IC 5-1-5, the Board may provide for the issuance of refunding bonds to refund the Refunded Bonds to effect a savings to the District; and

WHEREAS, the Board has received financial reports, based on estimates, which indicate that a refunding of the Refunded Bonds will effect a savings to the District;

WHEREAS, the Board operating pursuant to the provisions of IC 36-9-25 has caused an investigation to be made of the operations of the District's sewage works and the operations of the treatment facility owned by the Town of Schererville and contracted to the Town of St. John in the amount of twenty percent (20%) of its existing and proposed capacity and finds that there are areas identified in the reports filed with this Board being polluted by the discharge of sewage, drainage or other harmful matter and that it is necessary for the public health and welfare and will be of public utility and benefit to purchase and acquire one or more of the projects as more fully described on Exhibit A attached hereto and incorporated herein by reference (the "Projects");

WHEREAS, certain reports containing general plans, descriptions and estimates for said Project have been prepared and are on file with the Board of Sanitary Commissioners;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SANITARY COMMISSIONERS OF THE SANITARY DISTRICT OF THE TOWN OF ST. JOHN, INDIANA, AS FOLLOWS:

1. The Board, after considering the estimated financial reports, hereby finds that the refunding of the outstanding Refunded Bonds will effect a savings to the District.

2. The Board, hereby determines to issue refunding bonds of the District to be designated as "General Obligation Refunding Bonds, Series 1996" in an aggregate principal amount not to exceed \$1,525,000 (the "Bonds"), for the purpose of providing funds to complete one or more of the projects identified on Exhibit "A" and to refund the outstanding Refunded Bonds, including accrued interest and to pay costs of issuance of the Bonds, provided that the District will achieve a gross savings. The Bonds will bear interest at a rate or rates not to exceed 7% per annum (the exact rate or rates to be determined by public sale or negotiation) and shall mature and be payable over a period ending no later than January 1, 2012. The Bonds shall be the valid obligations of the District, as a special taxing district, payable out of a special unlimited ad valorem tax to be levied and collected on all of the taxable property in said District.

3. The Board hereby directs that notice of this determination to issue the Bonds shall be published in accordance with IC 6-1.1-20-5 and also posted in three public places within the District.

4. The Board of Sanitary Commissioners preliminarily finds that it is necessary for the public health and welfare and will be of public utility and benefit to acquire and construct one or more of the Projects, together with necessary appurtenances, related improvements and equipment, and the incidental expenses in connection with the Projects and the issuance of bonds for it. The Board of Sanitary Commissioners will proceed with the Projects in accordance with the terms and conditions of the Sewage Treatment Agreement Between the Town of Schererville and Town of St. John Effective January 1, 1995, which Agreement is on file with the Clerk/Treasurer of the Town of St. John and is hereby ratified and confirmed.

5. The Board will undertake one or more of the Projects, the cost of which, together with incidental expenses of the Projects and the issuance of bonds to finance the Projects, will not exceed \$1,525,000.00. The costs include all necessary expenses to be incurred in connection with the proceedings and the Projects, including the costs of necessary records, engineering expenses, contingencies, inspections, publication of notices, the issuance and sale of bonds to provide funds for the Projects, and expenses and fees incurred in connection therewith and other necessary expenses to be incurred in connection with the letting of contracts with regard to the Projects. If the contract price, based on bids, for the Projects exceeds the estimate, the Board may eliminate a portion of the Projects described on Exhibit A to lower the contract price and thus stay within the estimate.

6. On the 18th day of January, 1996, at 7:30 p.m. at the St. John Town Hall, 10955 West 93rd, St. John, Indiana, in the Town of St. John, Indiana, the Board of Sanitary

Commissioners will meet and will receive and hear remonstrances from persons interested in or affected by such proceedings and will take final action to determine the public utility and benefit of the proposed Projects and will confirm, modify or rescind this Declaratory Resolution.

7. Notice of the adoption of this resolution and the purport thereof, and of the fact that such reports, plans and estimates have been prepared and can be inspected, and setting out the date on which said public hearing will be held, shall be published at least 10 days before the date of the hearing in the Times and Gary Post-Tribune.

8. This resolution shall be in full force and effect from and after its passage.

Passed and adopted this 21st day of December, 1995.
